

Before You Begin – What you need to know prior to renewing

To complete this renewal application you will need to have the following:

- License Number
- DEA Number (*Physician Assistants with Prescriptive Authority only*)
- NPI Number (*Physician Assistants with Prescriptive Authority only*)
- Supporting documents for any affirmative answers to the Background Questions
- Evidence of completion of at least twelve hours of continuing education in pharmacology (*Physician Assistants with Prescriptive Authority only*)
- Valid Credit Card (Discover, Mastercard or Visa)
- If an applicant provides an affirmative answer to any of the background information questions they will be required to submit a brief explanation of the events in the comments sections and submit documentation related to the events in the Document Submission portion of the application.
- Physician Assistants with Prescriptive Authority will be required to submit evidence of having successfully completed at least twelve hours of continuing education in pharmacology. The continuing education is required to have been completed within the last two years.

Following submission of your renewal application you will receive email notification of your payment and notification of your license status and expiration date. Licensees may also obtain verification of their license status at <https://elicense.ohio.gov>.

If you have questions please email med.renewal@med.ohio.gov.
